

## TOOTHPASTE DRIVE

Help Southampton Social Services provide a Family Size Toothpaste to each child they assist with school supplies this year.

Our goal is 500 Family Size Toothpastes before the August 15, 2017 deadline.

If you can help with this project, please let call us at 653-3121.

We are collecting toothpaste only, as we have a donor who provides most of our toothbrushes.

Thank you for helping our children to have a bring smile and healthy teeth.

Jean Blackburn, Southampton Social Services
